Please add to TD and google drive for IES Amsterdam - all of the different program tracks offer this course. You can tag it in TD as a social science distribution. Please reply when done. Thanks!

It's fine. Lots of these classes don't fit easily into our disciplines. I can approve it for equivalence to SOC100- Seminar in Sociology

Hi Brian,

This is a funny one! I sent it to Ziad and he directed me to you. I've copied him here now so that we can determine what is the best home for this course.

Thank you,  
Katy

Hi Katy:

This looks more like a Sociology course so I would forward it to Ziad. Thanks.

Dear Brian,

Would you please review the attached course for transfer credit for a non-major for IES Amsterdam this spring?

Thank you,  
Katy
